Saint-Raphaël has been an accredited water sports resort (FRANCE STATION NAUTIQUE) since 1997. This quality accreditation is awarded to towns that ensure the safety of water sports participants, the protection of the environment and offer a coherent selection of water-sports activities. Our organisation coordinates the pilot committee and the representatives of each activity. Il est à souligner que Saint Raphael vient d'obtenir le renouvellement de son niveau 4 étoiles pour une période de trois années.(2016-2019)
